The NYSSB has made available two annual grants of \$500.00 each for the societies within the Sangerbund. Your society may apply for *both* grants but you may only be awarded *one* per year unless no other society applies. The Grant Committee may recommend that the grant amount be divided among several applicants. For example, if two choruses apply for a particular grant category and the Grant Committee feels that both are equally deserving, each would be recommended to receive \$250.00.

Please check which grant(s) your society is applying for:

CATEGORY 1 A grant to promote youth related activities. For example, your society needs funds to establish or promote a children's choir or run German language classes or hold a student night. To qualify for this grant, your society *must* be directly involved in promoting youth activities relating to the German language or German-American music.

CATEGORY 2 A special needs grant. For example, you need to purchase music, defray the expenses of hosting an October Sangerbund Convention, or a chorus from Germany.

IMPORTANT!

On the backside of this sheet, please briefly justify your grant application. Be very specific as to why you are applying and detail exactly what project the NYSSB funds will be used for. Understand that your written description is the *only* criterion the grant committee will have to base its decision and make its recommendation.

Applications are due by July 15 and should be mailed to the Vice President at the above address. The Grant Committee will review the applications and make a final recommendation at the annual NYSSB Convention in October.
