39th NYSSB Sängerfest Hosted by the Utica Maennerchor 13 & 14 June 2020

The choirs of the New York State Saengerbund are busy planning for our combined chorus concert and developing their own choral presentation in preparation of our 39th Sängerfest hosted by the Utica Männerchor this June.

The Sängerfest Committee has put together a marvelous 2 day program including a concert, banquet, dance orchestra, and Sunday picnic brunch.

They have also arranged with the Best Western Adirondack Gateway Inn to provide lodging for our 2020 sängerfest participants.

We cordially invite singers and friends from German-American Communities throughout New York State to come and enjoy your heritage and if interested and able, participate in our concert.

If you have fond memories of singing in a chorus or formal choir and would like to participate once more in the *freundschaft* and *gemütlichkeit* of our traditional *Deutscher Chor* please contact one of our choruses near you. There is a new chorus forming in the Capital District looking for singers young and mature to join in this sängerfest (see below).

Come to our Sängerfest to renew old friendships and form new ones based on our common love of our German culture and music. This is a great opportunity to recall the important part that each of us has played in preserving and fostering our heritage and traditions. Above all, we will be able to experience the role that our own German-American Community has had and will continue to have in continuing this heritage and culture.

For more information, go to our NYSSB website at <http://www.nyssb.org/> and clicking on the 39th Sängerfest sign.
