39th NYSSB Sangerfest Hosted by the Utica Maennerchor 13 & 14 June 2020

The Utica Maennerchor and their President Gail Miller are planning the details of our 39th Sangerfest. This will be the 2nd time we will celebrate a two day event with a Mass Chorus Concert with each chorus performs a 10 minute program of their choosing and the Combined choruses will sing 5 or 6 songs under the direction of the Fest Dirigent. A reminder to our choruses, please submit your chorus music selection to Gail by November 12th.

We cordially invite singers and friends from German-American Communities throughout New York State to come and enjoy your heritage and if you're able, participate in our new sangerfest traditions with freundschaft and gemutlichkeit.

At our recent convention we developed a modest annual scholarship to help each member chorus become more visible and benevolent within their community. We encourage our more senior members to donate to our Memorial Fund and continue the traditions of supporting our youth.

For more detailed information please checkout our website at www.nyssb.org.

Call for Singers from Saratoga to Albany and from Troy to Schenectady!

A young Baritone recently moved from Pittsburgh, where he was a member of the Teutonia Mannerchor (Nord-Amerikanischer Sangerbund) and since there are no German-American choruses in the Capital District he would like to start one.

If you sing in the shower, have sung in a school or church choir, or just miss the camaraderie and friendship of the *alt chor*, give Travis Sefzik a call or send him an email. This would be a great opportunity to prepare and participate in our 39th Sangerfest in Utica on the 13th & 14th June 2020. **Capital District Sangerchor (724) 884-3796 tsefzik@gmail.com**

Our website at www.nyssb.org has been updated to include a new President's Message, a new list of societies throughout the New York State German-American Communities, and the details of our new Scholarship program. Please check it out and send any updates and information about other German-American societies to me at hermankoelmel@gmail.com.

We wish you a blessed and thought provoking Thanksgiving with family and friends and a fun filled season of concerts and Christkindelsmarik.

We need a location for our 2020 NYSSB Convention on 3-4 October 2020. Do you have room at the inn?
